Masker Tape Series

2025

A GLOBALLY ORIENTED MANUFACTURER OF SELF-ADHESIVE TAPE

Auto Masker Tape No. MMR
Cloth Masker Tape No. CMR
Kraft Paper Masker Tape No. KMR
PE WARIFU Masker Tape No. PMR
Polythene Dust Sheets No. PDS

MMR: Save time! Pre-taped drop film. Quickly cover a large area, specially designed for professional painter or DIY user. Save preparation time.

CMR: Save time! Pre-taped drop film. Quickly cover a large area, specially designed for professional painter or DIY user. Save preparation time.

KMR & PMR: Save time! Pre-taped drop film. Quickly cover a large area, specially designed for professional painter or DIY user. Save preparation time.

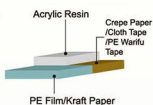

Polythene Dust Sheets: Paint will not penetrate. Cleaning: remove excess paint/varnish. Allow to dry naturally away from direct heat before stoving.

For protecting furniture and carpets while decorating.

Usage

- Unroll and apply tape on a clean, dry and smooth surface, and cut to desired length.
- Unfold dropfilm.
- Cleaning: remove excess paint /varnish. Allow to dry naturally away from direct heat before stoving.
